---

## Projects

### 1. Portfolio Website

- Designed and developed a personal portfolio website using **HTML**, **CSS**, and **JavaScript**.
- Highlighted technical skills, achievements, and professional projects.

### 2. Simple E-Commerce Website

- Built a web-based e-commerce platform with **MERN stack** integration for product listing and shopping cart functionality.

### 3. Traveling Website

- Created a dynamic travel website offering destination details and booking features using advanced web development techniques.

### 4. Academic Audit Tool

- Developed a multi-role academic audit system for administrators, teachers, and students. Integrated features for evaluations, reporting, and attendance tracking.

### 5. Teacher Evaluation & Attendance Management System

- Built a comprehensive MERN-based web and Flutter mobile app for managing teacher attendance, evaluations, and makeup class arrangements.

---
